

Classroom Norm Setting

Process:

- In notebooks answer the following questions
 - How would you like to be treated by your teacher?
 - How would you like to be treated by your classmates?
 - What should be done if there is a conflict?
 - How should inappropriate treatment be addressed?
- In table groups
 - Choose a recorder
 - Share your answers to each question round-robin style
 - Determine 5 things to share with the class
- Share whole group
- Refine list to a set of norms all participants can work with
